Sponsored by The North Country Stockhorse Assn.

Celebrating 20 years from the heart of Big Sky Country and the home of good horses.

Here we are. Ready for our 20th Annual Montana Breeders Group Horse Sale which has moved to a new date, SATURDAY SEPTEMBER 9TH at the Livestock Pavilion, Montana Expopark, Great Falls, Montana. We have some very nice riding horses and an excellent selection of outstanding yearlings. They all will be available Friday afternoon and Saturday morning for viewing. Lunch will be served at 11:30 AM on Saturday and the 20th annual sale will start promptly at 1:00PM. Feel free to spend some time with the consignors. They have all spent a lot of time and hard work in getting their horses ready for you and of course, they would love to tell about their horse program.

We sincerely hope you all consider attending and taking advantage of the opportunity to purchase some of the truly exceptionally well bred horses in the country at a venue with owners that take great pride in presenting their best horses in an honest venue in the last best place.

The Montana Breeders Group will truly miss our long time consignor and friend, Russ Pepper. Russ was a mainstay of our sale and his warmth, knowledge and friendship will never be forgotten.

Thank you all for the support we have enjoyed the last 20 years. It is very humbling and much appreciated.

Sincerely,
Mark & Barb Cole
Larry & Nancy Lewis

Marks Last Dash is a very well-bred and talented gelding that is well broke and was started very correct on the barrels. He is currently being hauled and seasoned. He stands 15.3h, weighs 1300lbs and is very stout made with good bone and foot. Rooster has gathered cattle, been ridden down the trail and goes where you ask him. He is an in your pocket, loves attention and meets you at the gate type of horse with a willing to please personality. Rooster handles most ground and any type of arena. He is easy and fun to ride. He has a ton of speed and really turns a barrel nice. Rooster is very good minded, doesn't get hot and can continue in any direction you want to take him! Maverick is a 4 yr old gelding that has accomplished a lot already. I took him to a few brandings as a 3 yr old and this year he was my main mount when it came to tagging calves and roping in the branding pen. He's good to shoe, load, haul, clip and bathe. He's spent many hours outside in rough country. Started heeling the smarty and slow steers and he's got what it takes to be the real deal. Lots of run, cowy and can drag his butt when he stops. Just barely 15 hands but he doesn't know it, he can go all day long and still walk out on the way back to the trailer. Check out his videos on FB or call Remington Campbell 406-799-6914.

"Lily" has a heart on her forehead and it fits completely. She is a sweetheart! This cross is athletic with a positive attitude. Pappasitos Fling is a big-time barrel prospect! He is very well bred and patterned on the barrels, he has a very cool move around a barrel and a ton of speed. Pappasito is as gentle as they come and loves attention. He is the first one to meet you in the pasture and will follow you around all day! He is being hauled to see the sights and handles it all like a gentleman. He is very quiet and sensible to be around and has a willing to please attitude. This is a young gelding with the talent to go to the top, but is gentle enough for a youth rider. Pappasito rides great out on the trails and has been used to move and gather cattle. He is good with a rope, bridges, tarps and just about anything else you want to do on him. No buck, handles time off and stays broke. Videos available on CS Performance Horses on Facebook. 15 ½ HAND GELDING. This Handsome guy is a very unique offering for us. The Stenberg's have been producing ranch horses for 130 years and it is really rare for us to talk, let alone offer a true speed horse. This guy is big with good muscle but his ability to run and still keep his feet under him is really something. He has been used as a typical ranch horse but when you let him run, he is scary fast and he can run in rough terrain because of his foot control. This stunning gelding can go to a ranch; however, he is the fastest we have ever owned and should go into the timed event world in order to reach his full potential. HE IS FAST.

Hemi is approx 14.3 and has the disposition you want in every horse. He is easy to load, haul, shoe and catch. He is a quick learner, willing to do whatever you ask, and so easy to get along with. Hemi has a great sliding stop, has the get up and go when needed, but will walk all day if that's your speed. He rides out nicely by himself and could go in whatever direction you'd like. His granddam was used on the Harmon Ranch for years and was an awesome ranch horse through and through. His dam was also used before entering the broodmare band. Hemi is another fine offspring of Royal Three Dash (aka Dr. J) who has produced some of the finest rope, barrel, ranching and pleasure horses around. With his bloodlines, Hemi could be your next arena prospect, or a working ranch gelding. He's UTD on all shots and one of the nicest colts we've ever consigned. **Eligibilities:** BBI, Who's Your Daddy Stallion Stakes, BNI Glacier Chaser Classic, SW Desert Classic, Three Can Tango, MG Barrel Race, Beehive Stallion Auction Futurity.

Sampson is a well broke gelding that has seen and done a little bit of everything. He has been used on the ranch to sort and gather cattle, trail rode all over and rides extremely nice in the arena. Ches is a two-year old filly with 120 days of training with Remington Campbell and is proving to be a very nice mare. She's been used outside to gather and move cows, crosses water and can really walk and trot out. She's done pen work as well and has a good reining foundation. She has a really nice stop and can turn on a dime. Ches is good with her feet, vaccinations, loads and stands tied. No buck and does good with time off. This mare should make an excellent calf or heel horse and could also show in reined cow horse. 14 ½ HANDS GELDING. This sharp looking guy is pure cow horse. His genetics definitely bred true to his legendary foundation cow horse bloodline. He is very thick and stout with a "buddy" personality. He has been used for typical ranch work in all types of country. His bright red color and baby doll face makes him a real crowd pleaser and he is a joy to be around. Both his sire and dam were 1st string cow horses in our covey and his grandsire is the great Doc a Tari.

Chrome from head to toe, PRETTY HIGHBROW (Que), is work and arena ready. With FRECKLES PLAYBOY and HIGHBROW on his top side, Que is cow, cow, cow. He has bone to last through the tough jobs with SILVERTENDER and PRETTY BUCK ZEB on the bottom side. Que spent his spring and summer at brandings and working cattle on the Hanson farm near Chinook. He is easy to catch in the pasture, shoes, clips and loads. Although only 4, Que is not done growing. This mare's foals don't stop growing until they are 6. He is very smart and extremely personable. On top of that Que is easy on the eye.

Zim is very strong built and not a blemish on an eighteen year old mare. She is very quiet and gentle for young kids to ride around the corrals, and has enough get up and go for older kids who can ride a little, to do barrels and poles. She's good in the mountains or behind cattle. She was not exposed to a stallion in 2017. Nice to catch, load, and shoe.

She is a full sister to NCHA money earner, All Reddy Smokin, and an own daughter of the great All Reddy Smart. Her get are cutting horse and cowhorse competitors. **She sells open**, you can breed her to your choice of stallion. She has been AI'd and live covered. Chex is easy to handle, load and trim. She is up to date on her vaccinations, worming and feet trimming. Her yearling foal sells as Lot #33.

Colonel Soula is one fun little 3-year-old gelding. He is well bred and can go absolutely any direction you want to take him. Colonel is roping the hot heels and is started on slow cattle out of the box. He is well patterned on the barrels and is showing a ton of talent to be an all-around rodeo kind of gelding. We have ridden him a ton outside, gathered and sorted cattle ridden down the trail and at the river. He had three months of cutting training, is soft in the face and sides, lopes cadence circles and is gentle!! Colonel stands 14.3h and is stout. Started correct and ready for a career, don't miss out on this nice young prospect. He is well broke and learns new things quickly! www.youtube.com/watch?v=RI8TuLvwHnw&t=3s

7. Owners warrant each horse to be sound with the exception of obscure blemishes or defects. Any condition to the contrary will be announced.
8. The NCSHA and/or the Montana Breeders Group, LLC assume no liability for defects in the quality, soundness or condition of the horse whatsoever.
9. HORSE BECOMES THE PROPERTY OF THE BUYER WHEN SOLD BY THE AUCTIONEER AND THE BUYER ASSUMES ALL RISK AND EXPENSE OF THE HORSE FROM THIS TIME HENCEFORTH.
10. Every effort has been made to secure sound horses. Buyers are STRONGLY ENCOURAGED and have the RESPONSIBILITY to examine horses before bidding. THERE ARE NO FURTHER GUARANTEES!
11. All horses will sell with a Negative Equine Infectious Anemia (Coggins TEST), West Nile vaccinations and CURRENT HEALTH CERTIFICATES. Laboratory reports will be furnished to buyers. Attending veterinarian will be available for export purposes. Canadian buyers see below.
12. Buyers unable to attend the sale may submit bids by mail or PHONE BIDS with credit card arrangements made prior to the day of the sale.
13. Anyone attending the sale does so at their own risk. The sellers, sale personnel, MBG, LC and the NCSHA will not be responsible for death or injury.
14. TO LEAVE GROUNDS, EACH HORSE MUST HAVE A BRAND INSPECTION, BILL OF SALE, AND HEALTH CERTIFICATE FROM THE SALES CLERK'S OFFICE.
15. HORSES WILL BE SOLD IN CATALOG ORDER. PLEASE BRING YOUR CATALOG TO THE SALE - LIMITED SUPPLY.
